

Complete Show Entry Packet 2021

For your convenience, the following pages include all the Weekend Workshops, the 2021 Show Challenges, the Class List, the weekend Schedule, Best Of Show requirements, the new Photo Show categories, the fun Out Of This World Obstacle, the show Entry Form, and our new U-Pick Halter Class - all in one packet. We have some changes this year due to Covid precautions and safety, but we still expect a fantastic weekend for everyone!

This show is for fun, experience, education, and meeting new friends - an awesome weekend! Don't hesitate to enter something that sounds interesting - even if you're new to llamas. It's all fun and definitely not all about winning! Ribbons, cash premiums, or prizes are given for all events. There's something for everyone - and everyone is a "star" at this show! Ten placings given in all llama classes.

The single entry fee includes all events, stalling, and a Friday night Pizza Party. There is an additional charge of only \$3 for materials for this year's Fiber Craft Project - open to everyone to work on during your down time. If you can't trailer your llama to the show, consider using one of our "loaner llamas" and enjoy all the events!

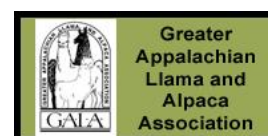

The Vet Seminars are unique, interesting, and educational. In Seminar A, recommended only for older youth, participants will be learning surgical stitching along with a discussion on a veterinary careers. In Seminar B, youth will be learning hands-on about good care including taking temperatures, respiration, giving injections, nail and tooth care. New thoughts on parasite management and refugia will be discussed. Adults invited also! All this is care and herd management to keep your animals healthy and happy - especially for those new to llamas.

There are two Sub-Jr. Classes in the Class List, Showmanship & Obstacle. These two classes are for those younger youth siblings who are old enough to participate but under 8 years of age. We can provide a llama for you if needed. The entry fee of \$30 includes the pizza party, money for the Friday night auction, and allows them to participate in the Fiber Craft Project and Kindness Rock Workshop. Sub-Jrs. may not participate in the Vet Seminars, but may listen in.

For those showing at the IN State Fair, we will confirm that either you or your animal participating in Jamboree fun classes will NOT disqualify you from entering 4-H classes at the IN State Fair.

1. Fill out the Jamboree Entry completely (ILR number) including all class numbers.
2. Include your selection of Workshops & Vet Seminars and attached to your entry. Page 3.
3. Sign up for the Poster Class, the Photo Show, and the Fiber Show by including the class numbers on your entry form.

Weekend Workshops 2021

The Event Where Everyone Is A Star!

Please sign up for your selected Workshops on the attached Workshop Entry Form below. This will help us estimate materials needed. However, you may change workshops during the weekend if you change your mind about which ones you would like to attend.

Showmanship Class Workshop: "Advanced Showing Skills"

Two Showmanship Workshops this year! 3:30 or 4:45 Friday afternoon. Showmanship skills with the Judge! Now get the hints, tips, and finishing touches that can make *YOU* that "perfect showman". Benefits not only pertain to the Youth Showmanship classes, but help you show and place your favorite animal in Halter classes. And, of course, there will be time for group discussion and questions.

Youth Judging Workshop: "You Be The Judge"

3:30 Friday afternoon. Only time offered. Learn how to select the best animal in a halter class, how to place a showmanship class, and how to score performance classes. Be prepared for the Youth Judging Classes on Saturday.

Performance Class Workshop:

Either 3:30 or 4:45 Friday afternoon. Take your choice of times. Performance Perfection! How to get that perfect score! What does it take to negotiate the obstacles in a smooth partnership with your animal? Obstacle courses must be done as a team – you and your animal smoothly taking all the obstacles. Hands on - bring your animal to the workshop.

Animal Health Seminars: "All About Your Llama"

4:30 Saturday afternoon. A healthy animal is one who is able to stand out in show classes and is happy to perform his duties. You are the caregiver for your animal – he depends on you to know his basic needs AND any new methods of herd management. These workshops will cover various forms of hands-on animal veterinary care and knowledge.

Vet Seminar A – Surgery Stitching procedure! This seminar is recommended for older youth only, grades 8th through 12th. There will be discussions on a career in veterinary medicine or other careers involving animals.

Vet Seminar B – Llama Veterinary Care. Hands on - learn how and why.

U-Pick Halter Class:

4:45– 5:45 Friday afternoon. This class is for the Senior age division only. You can select any animal you'd like to show in a halter class! Considering conformation and style, you pick the animal you think is best for a halter class from all the animals at the show and show it in this class. Male and female animals will most likely show together and there will be no wool divisions. Judging will be on conformation and fiber quality. Prizes will be given.

Fiber Craft Workshop: “Working With That Wonderful Fiber”

11:00 a.m.Friday. Love fiber and crafts? This year we are offering fiber workshops in a different format. There will be an ongoing workshop in the Llama Barn for you to work on a project at various times when you're not showing or in another workshop. Just visit the Fiber table in your leisure time all weekend and work on your project. Just don't forget to listen for your next class or workshop! There will be a \$3.00 fee for all materials needed to complete a project.

Kindness Rocks: Join Us In the Kindness Rocks Project!

Have you heard of the Kindness Rocks Project? This really rocks! This kindness project is spreading all over the world. Paint a rock with an encouraging or happy message and hide it for someone to find. One message at just the right moment can change someone's entire day, or outlook! Together we can make this world a little bit happier! Join us in your leisure time this weekend to create a Kindness Rock. No need to sign up in advance.

Don't Forget!!

This class will be offered in two limited time slots on Friday. Enter this class on your entry form. Generous "Llama Bucks" to use for the Jamboree Auction will be awarded to the "Great Eight" in all classes!!

Poster Class: Classes 68 - 70

Show us your artistic skills and llama knowledge! This poster competition will be held with three Divisions: Senior, Intermediate, and Junior. Class must be entered on your entry form, Classes 53-55 and posters should be brought to the show and registered on Friday. Posters must be on a 22" high x 28" wide poster board and backed with a firm backing such as cardboard or foam board. Posters ***must*** be in a horizontal format or they will not be displayed and judged. A 3 x 5 card must be attached to the back with your name, address, and class age division. If you choose to, you may put a plastic covering over your poster for protection. If size and specified directions are not followed, your poster will not be accepted for judging. This class will ***not*** be divided into ALSA, ILR, and 4-H divisions – just age divisions – Jr., Int., & Sr. If you can not attend this fun weekend, you can still enter the Poster Class by sending your poster to the show with one of your friends and a small entry fee. Complete this Challenge anytime between your classes on Saturday morning. No need to sign up ahead of time. Great Prizes will be awarded in each age division.
