

Sponsorship Opportunities

Your support for the youth of today is support for the future of the llama industry!

No doubt you are aware that the 11th National All American Youth Jamboree & Conference is happening in June, 2019. A national event specifically targeted to all 4-H youth and *all* show association youth members, this event offers a full weekend of showing, vet workshops, fiber seminars, fun challenges, team building, and leadership events. This is the event where *every* youth is a star! New this year, the Youth Jamboree weekend is also hosting an open ILR/ALSA halter show for everyone to enjoy.

Your support for the youth of today is the support for our llama industry of tomorrow! We would greatly appreciate your help to continue to make this event a huge success and we offer you the following opportunities to do so below. In return, we offer you advertising for your business, your farm, or product on our website, in our publications, booth space during the shows, announcements during the show, and website presence. Your support is greatly appreciated. We can't do it without you!
